## Key mistress

I know it's a stereotype that swingers chuck their car keys into a pot and then pick one out, but don't knock it till you've tried it.

We recently went to a party where they did just that, albeit it an updated version.

When we turned up, the girls were separated into one room and the guys in another.

Once alone, we were all meant to take our bras off and then the hostess of the party, Sharon, took them all away in a huge silver bowl and told us all to wait for our beau of the night.

In the other room, the men were taking turns to chose a bra, and then one by one they came into our room holding the bra of choice. Whoever was the bras owner would then disappear into another part of the house with them!

The first man through the door to be confronted by a room full of women of various ages wearing nothing more than their knickers was my husband, Roy.

He was beaming when he discovered that the bra he had in his hand was 20-year-old Leticia, a gorgeous coffee

## Bride's laid

These pictures were taken on the day of my wedding.

It was part of my wish list that I fuck my husband-to-be and his best man and all of his ushers on the morning of the wedding, just to help me get over my nerves, I said!

Paul, the best man, was

When he came, it was all over my arse. But it took him so long to blast his hot load over me that by the time he had finished giving me an incredible orgasm, it was getting late, so I told him to send up the last

two lads together. Connor and Max were old friends – they'd fucked girls

But I'd promised my fiancé that he'd be the only one to cum in my pussy, so I swallowed all of Paul's cum quickly.

Next up was Gavin, the first usher. He's a randy sod and was bollock naked when he came in, smiling like he'd just won the lottery!

together before so they had no qualms getting naked in front of each other and fucking the same girl at the same time.

The double banger they gave me was electrifying and they finished it handsomely by having me wank them off into my face and mouth together!

Sadly for my hubby, there was no time for him to get his oats. I made it up to him that night though, fucking him for four hours solid, getting his spunk in both holes!

It was well known about Trevor that for all his big dick bonus, he was very quick to cum, and this could have been a major problem, but for one thing. Give me a fat dick up my pussy and I'll cum and cum and cum!

I stopped sucking him pretty quickly, not wanting to get covered in his spunk before I'd covered his dick in my own cum juice. Then I got on my hands and knees, the best position to get a big dick in you, and told him to fuck me like he'd seen every other guy here fuck me.

to be fucking that night...

The door creaked open slowly and then I walked Trevor, a huge smile across his face, his eyes instantly locking on to my big tits.

I had never fucked Trevor before, but I had often longed for him to screw me

because he had such a big cock and watching him wank it as he watched me or anyone else screwing his girlfriend was amazing.

"At last, Trevor," I said, "I'm going to actually get some of that big dick of yours inside me."

I stepped over to him and put my hand inside his pants as he did the same to me. I was already wet.

I got quite carried away, yelling at him to let me have it, to fuck me harder and harder, urging him on and on, getting myself more worked up than he was, and the orgasm that shuddered through my body as he fucked me was incredible.

"Suck it some more," he grunted when my orgasm had subsided and I lay on the floor as Trevor knelt over me, that big dick of his glistening in the light in front of my face.

He knelt over my chest and I took his bulbous head into my mouth, playing with his nuts as he wanked himself off into my mouth.

When he came, I took it all inside my mouth and swallowed the lot, not even giving him a look at his own spunk.

What a brilliant fuck!

**Dear Julia:** I've been an avid reader for three years (without my hubby's knowledge!) as sex is very rare. I'm 53 and consider myself attractive. So did two of my son's friends who stayed with us recently. I hadn't had sex for three years and came down-stairs early in the morning to make tea. Hubby had gone out (golf again!). The lads were asleep on the sofas and I saw that Steve had an erection. When he woke up he caught me looking at it and made me suck him off. Then they both fucked me in my mouth and cunt at the same time. They call me their "slutty MILF" and I love it. It's my dirtiest secret!

Sally,

## Sex-starved student Matt's lecherous lecturer teaches him a trick or two...

I'm a first year medical student who over the past few months has gone from being a fairly serious student to an idiot with the attention span of a goldfish.

There is, of course, a rational explanation for this lapse in my concentration. I often sit in my lectures or during lab work dreaming and fantasising about my lecturer.

She's about 30 years of age, around five foot six, and has long, incredibly sexy legs, which disappear under the most scandalously short skirts. Her breasts are firm and round, and her arse is beautifully rounded and firm. Her hair is strawberry blonde and frames the cutest face you could possibly imagine. In short, the lady is a total babe.

I never thought I had a realistic chance with her, but she became the focus of my wildest fantasies. Then one morning, after a hard night's drinking, I sat holding my head in her lab class.

### She mopped up every drop

I never miss her classes, even with the worst hangover, because just watching her is a tonic.

This particular morning she was looking radiant, and sporting an outfit that looked as though she'd been poured into it. Sitting there, I attempted to take in what she was saying while holding my head and imagining her nude.

She was sitting on the edge of her desk swinging her legs as she reeled off a list of figures. Then, as she rose to go to the blackboard, I caught a glimpse of her scarlet panties. I smiled, entranced by the all too brief spectacle, and for an instant we made eye contact. Blushing hotly, I realised that she could see only too plainly that I was pitching a quite a trouser tent in my combats.

Nevertheless, she gave me a knowing grin that suggested that she knew exactly what had caused my embarrassing condition. After the lab had ended I deliberately waited behind, pretending that I needed to ask her a question. Looking pointedly at my crotch, she asked if I had enjoyed today's lab session, and when I cheekily agreed that, yeah, I had, she walked over to the door, shut it and quickly turned the key.

Moving towards me, she kissed me

on the lips, before pulling away from me briefly to see what my reaction was. One look at me and she obviously knew that I was completely under her spell and would do anything to become her toy boy.

Slowly she unbuttoned and slipped off her shirt, revealing the tits I had fantasised about seeing for so long. They were even larger and more pert than I had imagined and her erect nipples were hard and poked out from her chest. My

## Her cheeks spread in invitation

penis ached in response to the sight of her magnificent boobs. With her eyes fixed on my hard-on, she unzipped her skirt and let it fall to the ground, revealing the sexiest bright red lingerie I'd ever seen.

Beckoning me over to sit down on her seat, she leaned over and unzipped the flies of my combats to release my throbbing erection. Her hands stroked my raging hard-on and she licked my cock-head, before sinking my shaft deep inside her mouth.

Bobbing her head she gave me the most fabulous and practiced blow-job imaginable, her deep blue eyes maintaining contact with mine all the while as she sucked on my meat. Reaching behind her I fumbled with her bra until I managed to unfasten it. Her breasts fell out of the bra cups and her erect nipples brushed my

thighs as she continued to eat my cock.

Shivers of excitement ran up my spine and my ball-sac tightened as I delivered wads of spunk into her eagerly sucking mouth. Her tongue mopped up every drop of my cum from my shaft before she slowly and pleurably wanked me back to stiffness again. Her patience was truly amazing.

Then, standing up, she teasingly slipped off her silky red panties, and my eyes nearly popped out of their sockets as she uncovered her beautiful snatch. It was well trimmed with just a slight tuft of

hair shaped like a triangle almost immediately above her slit. It was too perfect to resist and I could feel how erect her clitoris was as I slipped my fingers in and out of her honeypot, rubbing her nub and making her moan with pleasure.

I removed my finger before she actually came, and, getting off the chair I knelt in front of her and asked her to lift her leg onto the chair I had previously occupied. Positioning my head under her snatch, I started to tongue her pussy, gently at first, but gradually working up speed until I was tongue fucking her.

She tasted so good, and I worked my tongue in and out of her pussy, making sure that with each stroke my nose rubbed her love bud. As she came, her juices sprinkled over my tongue and I lapped it up, enjoying the taste of her sweet, sticky honey.

When I got up she was bending over her desk, her cheeks spread in invitation to insert my tool into her from behind. Her pussy was so wet from her natural

## Swing time

**M**y wife Kirsty and I had been married for four years when we started swinging. She learned a whole new world of fun, and on the way she discovered a taste for sucking cock.

But little did I know just how far her sexuality would take us.

One day she said she wanted us to go out and meet with some new friends she'd met online.

On the way there in the car,

more where that came from later.

In the bar, we met Craig and Fiona, a couple in their mid 30s, both quite fit. A few hours and a few drinks later we were all good friends and when Craig said they had a swimming pool back at theirs I was all up for it.

When we got there and Craig and Fiona stripped down to bare skin I looked over at Kirsty to see her doing the same thing and nodding at me so I stripped off too.

We all got into the pool and

## I watched him slide his big cock in and out of my wife

Then Fiona put her tongue in my mouth and when she had stopped kissing me, I found my own hands cupping both her large breasts.

It was then that I noticed that the girls were also playing with Craig's cock and balls, Kirsty was slowly wanking his cock for him.

I didn't mind one bit, I actu-

ally found it even more erotic, so when Kirsty peeled off with Craig and Fiona took me to one side, I was more than happy, smiling at Kirsty when she checked with me.

Fiona climbed from the pool and sat on the side, her legs open invitingly. I kissed her thighs and made for her shaven pussy, parting her

Kirsty drove with the hem of her dress way up her thighs and asked me to touch her, which I happily did, stroking her cunt through her panties, my cock growing harder.

By the time we got to the bar, we were both extremely horny and when we parked up I got my cock out and Kirsty had a good suck on it, telling me there would be

pretty soon we were in a little group hug when I felt a hand wrap round my cock and another coax my balls.

Kirsty and Fiona were both looking deep into my eyes and I realised it was both their hands!

I grew hard as a rock and then harder when Kirsty and Fiona kissed in front of me, full on tongues.

labia with my tongue, enjoying the taste of another woman's pussy after so many years.

I was so hard that I just had to get out of the pool and fuck her. When I climbed out, I looked over to see Kirsty on her knees, slowly sucking on Craig's cock and I involuntarily began to wank my own.

Fiona got down on her hands and knees and said, "Come on Peter, come and fuck me."

I slid myself inside her tight pussy and lay myself against her gorgeous arse.

In front of us, on the other side of the pool, Craig was doing the same to Kirsty, only from here I could see him sliding himself in and out.

Listening to Kirsty's cries and Fiona's

filthy encouragement brought me to the edge immediately and I quickly pulled my cock from Fiona's snatch and shot my spunk onto her arse, wanking myself empty.

Soon Kirsty was cumming, groaning in ecstasy as Craig slammed harder into her.

To finish, Craig and Fiona put on a show for us as Kirsty, confessed she had met them through a swinging site and had wanted to surprise me.

Now we seem to swing nearly every weekend!

## Lusty busty thrusty

Last week two lads came round early in the morning to fix our fence. My husband Phil was out.

After about an hour Rob and Ash downed tools and came in to the kitchen for some tea. As I stretched up, much further than I needed too, my robe rode up, flashing them plenty of thigh and

licked the remainder of cum from his still throbbing cock.

My attention soon returned back to the other wanton cock – Rob had been very patient and deserved a reward. My lips would do just nicely, for now. I swivelled round, allowing me to work on his cock fully.

Doing so my robe fell open fully exposing my full nakedness, my pussy glistening with excitement. My mouth closed around Rob's throb-

cock against my swollen clit, then plunged his full length deep inside my hot wet sex. I felt like a right dirty slut – two cocks and neither were Phil's.

There I was on the sofa, young hard cock fucking me slowly as I sucked away at another. Ash had me squirting in no time, covering his cock and stomach with my cum.

Rob piped up, telling Ash that he wanted a go, he wanted some cum fun too. Begrudgingly, Ash swapped places, so I quickly took his cock back in my mouth, gently sucking on him, tasting my own juices. Rob enjoyed the hot, wet sensations from my pussy enveloping his thick

shaft. He started with a fast pace, slamming his cock into me, making his balls bang against my ass, his thick cock stretching my pussy, filling me right up.

I felt his cock stiffen one last time as he shot his hot load deep inside me, feeling three long hot spurts hitting the back wall of my pussy. This, in turn, bought Ash to climax again, his cum filling my mouth with his salty cream. Now I looked a right dirty fucker, cum dripping from my mouth and chin and my soaking pussy!

I was looking forward to filling my husband in already!

a fair bit of ass! This was my signal, letting them know that I wanted some fun – lust had taken over.

The lads were soon exploring my naked body. I exposed Ash's cock and balls and worked my lips around his shaft while Rob had a wank watching.

I made sure I didn't leave him out either, playing and teasing, neither one getting left out, until Ash spurted hot cum all over my breasts.

As his orgasm subsided I

Ash probed my pussy with his fingers and tongue. I could feel my whole body aching to cum as he worked my pussy into a frenzy. I couldn't hold back and gushed all over his face. He looked up at me from between my thighs with a small, shocked smile across his face, my cum still dripping from his chin as I greedily sucked on Rob's ever stiffening erection.

# BUM NOTES

There are a few records we'd have a go at breaking with Angel – like longest non-stop shagging session. Or largest amount of spunk ever jetted into model's tight fanny. "That last one sounds good," grins the Hartlepool harlot. "I've been complemented on the tightness of my pussy by a few blokes. I've got great muscle control so I can really milk every drop out of your prick!"

Dear Escort

I would like to say a big thank you through the pages of your magazine to all those readers who have contacted me after seeing my pictures published over the past few months. I have had some lovely comments and compliments paid as well as quite a few naughty suggestions, some of which even made me blush! I've had such a big response with letters and cards coming from all over the UK, Wales, Scotland and even Germany, that it would be impossible for me to reply to each one individually, but any requests sent with an S.A.E. I will try and get around to responding to. Rest assured, I have read and re-read all the letters and cards over and over again, and still get horny thinking about what some of your randy readers would like to do to me! Please keep them coming (or should that be cumming) and I shall look forward to being in Escort again and receiving even more fan mail. Thanks.

Yours

Sexy Sheila

# REAL WIFE SEX

*Matt's story continued from page 19*

and hook her feet over the backs of my thighs, so I wasn't going anywhere even if I'd wanted to.

She cupped my face and gave me this really soft but passionate kiss, then she told me to fuck her senseless.

I took it as an order, putting all my weight and strength into banging her hard. She moaned, playing with her own tits, squeezing them into position so I

lubrication that I slipped into her like a warm knife through butter. Then, glancing at me over her shoulder, she gave me a saucy smile and asked me to fuck her "really hard".

She bucked backwards just as hard as I was screwing forwards, the momentum slamming my rod deep inside her box. Pumping my manhood deep inside her as she verbally urged me on, I continued to pleasure her as best I could. She was too old and far too experienced to bother with a student like me, but I was grateful for the opportunity to service her beautiful body even if it was only this one time.

With one last jolting thrust, I felt her pussy tighten around my shaft. We came off almost simultaneously, my cock erupting inside her contracting vagina.

After a few minutes lying there panting, I could feel my dick getting hard again.

I started rolling my tongue over her clit, two fingertips playing in her

hole. She grabbed my hand, pushing them in further and telling me to hook them, so it would catch her G-spot.

It hit some kind of spot, anyway – she went a bit mad, squirming her clit up against my mouth. So I just started to finger her harder, until she totally lost control. It felt a bit weird – she'd been taking the lead and now she'd lost the plot. Still, she was

**She told me to fuck her hard**

grinning all over her face and so was I. Then I saw her look down at my crotch and I was rock-hard again.

Now she just reached down for my cock, opening herself up with one hand and wanking me into her with the other. I sunk in, balls-deep, and felt her close tight around me

could suck on them. And she angled herself so my crotch caught her clit.

In the end we were both so randy we had to go back to my digs where we spent the rest of the day fucking – I'd either be ramming her, or lying back with my dick, balls and pubes drenched with her sticky cunt cream. And it felt like any time I drifted off, her hands would stray to my crotch a few seconds later, or I'd be feeling up her snatch ready for another go. Older really is bolder! 🍆

## Fone-a-fuck

**M**y missus Debbie is really into sex and we've made plenty of swinging friends over the years.

So when I jokingly suggested we could start a phone a fuck service for all our mates she was well into the idea.

In a week, Debbie had her pussy booked out for the next two weeks steady!

So far we've seen four of our friends but I have to tell you about one of them, George.

George called and said he'd love a fuck and to bring one round as soon as possible, which was Sunday morning.

He said we had to be there at dawn and we duti-

fully turned up at the crack. When he opened the door, he was in his dressing gown, his hard cock poking straight out. "Let me have this fuck then,"

and thrust his dick between her thighs. "I think I'd like a doggie-style fuck," said George and he turned Debbie round and helped her of with her coat.

## He stuck his cock through the gate

he said and Debbie reached out to play with his cock right there on the doorstep.

It looked as though George wanted to fuck Debbie right there for all the world to see – he'd always been a bit of an exhibitionist, but not too much, hence the crack of dawn!

Debbie was wearing the classic long fur coat with stockings and suspenders underneath and George pulled open her coat and cupped her tits, fondling them.

Then he pulled her to him by her bum

## Pants party

**W**e had a great party the other week, a knickers and pants party!

We had a few friends round and they all turned up and stripped down to their underwear as soon as they arrived.

And since everyone was in their underwear, the party

didn't take long to get to the good stuff.

In the middle of the living room, Vicky and Kate were dancing with each other, rubbing their bodies up against each other.

It wasn't long before they were kissing, Vicky with her hand inside Kate's panties.

Then one by one everyone began to join in, touching and feeling Kate's body.

Kate loved all the attention, her panties came off and then she was clambering onto all fours as some people paired off to leave three girls and one guy, me, with Kate.

I pushed my finger into Kate's mouth as behind her the girls were busy with her pussy and arse, licking her and spanking her cheeks.

She sucked on my finger like it was a cock, making my own rock hard.

It seemed only right that I replace my finger with my cock, and I stepped forward and offered

I replaced a finger with my hard dick

Now he bent her over and pulled down her silk knickers, rubbing his hand up and down her snatch.

I know Debbie and she would have been getting wet the moment George answered the door with a boner!

George eased himself up her tight cunt and began to fuck her steadily, pulling her back onto him by her hips when he had built up a lustful speed.

"Yes," he said, "this is a good fuck but I'd like to try something else too."

Instructing Debbie to go down to the garden gate, George followed her down

and stuck his cock through the gate's bars. "Suck it," he told her. "Suck it until I cum."

The look on Debbie's face was classic, her eyes lit up – this was just the kind of filth that got her rocks off.

That girl sucked George's cock like a porn star, teasing his spunk right out of George's throbbing cock and all over her tits and face, smiling and saying yum as she slowly squeezed the last few drops out of George, his spunk dipping off her tits onto the pavement.

We left for home, leaving George's jizz where it lay.

## Try bi

These are the pics of a photo shoot my boyfriend did with me and our slut friend called Francine.

We were told to get into a 69 position, and to get our tongues as close to each other's pussies without touching.

This was too much temptation, and I really wanted to lick Francine's sweet smelling pussy. She beat me to it, though, and I felt her tongue gently tease my clit.

I could hear the camera clicking but I was enjoying it too much to move. Our final position was me on the settee with Francine on all fours in front of me.

Her head was over my very wet pussy. My partner instructed her to lick my pussy while he took photos. That

pussy open with both hands and started to suck hard on my clit,

I felt her ease one, two and then three fingers into my soaking wet gash. I was in

was an invitation Francine could not turn down.

I felt her tongue lapping away at my clit. She pulled my

heaven. My partner had by now released his swollen cock and was feeding it into my mouth.

Francine, still fingering me,

moved her head near mine so we were both sucking and licking my partner's cock.

Francine wanked him off as we snogged, our tongues darting in and out of each other's mouths. I could sense he was about to cum, and I was right.

Suddenly a spray of hot spunk hit our faces. It felt great and very horny. This was my first threesome, but I hope it won't be the last.

it to Kate's wanton mouth.

Her lips wrapped around my bell-end and her hand came up to wank on my shaft.

All around me people were fingering, sucking, tonguing or fucking, and behind her Kate had a finger

in each hole as one of the girls had slipped beneath her thighs to suck on her clit.

Kate's sucking was superb and I really wanted to give her the first load but all that action round her cunt beckoned.

I pulled out of her mouth and disappeared to her rear, swapping places with Jenny, a buxom 40-year-old who began to French kiss Kate before offering her her cunt to eat.

I entered Kate's cunt while beside me Kelly was fingering her anus, looking at me with lust in her eyes and reaching round to cup my balls.

Every time I pulled back, I could see beneath me the chin of Samantha, busy eating Kate out.

With so much sex around me I came, shooting my spunk over Kelly's arm and Kate's pussy and arse

That was the first of many fucks!
